Legislative Priority Agenda for 2009

The City of Minneapolis adopts a Legislative agenda every year. Items are categorized by various topics and then further refined into Priority Issues and Supported Issues. Below is the text of the one priority issue under the environment topic identified by the City for the 2009 Legislative session.

Priority Issue:

Extended Product Responsibility

- Support and Extended Producer Responsibility Framework approach that creates effective, producer-lead reduction, reuse and recycling programs to deal with a product's lifecycle impacts from design through end of life management so that state and local governments do not have primary responsibility for financing such efforts.
