

Business

Business Support Q & A

Have you ever wondered why many businesses support EPR? Have you ever asked any of these questions?

- Some business supporters of EPR
- What is Product Stewardship?
- How does product stewardship work?
- Is “product stewardship” the same as “producer take?back?”
- Why give producers responsibility for ensuring safe management of discarded products?
- Are product prices competitive?
- How does product stewardship improve the bottom line?
- How does product stewardship reduce government?
- Why is it only fair to make product stewardship mandatory?
- Do businesses support product stewardship?
- Which businesses support product stewardship?
- Why do customers appreciate product stewardship?
